SUNNY LANE SCHOOL

SECONDARY

11 June 2010

Dear Parents/Carers

Communication is of key importance to us here in school. Although you will have recently received the May Newsletter, we felt it was time to update you once again with information about new initiatives/developments.

End of Term Speech Day – Friday 25th June

We look forward to seeing you all on this day. You will receive a letter shortly inviting you to join us on the day. The British Academy logo will be unveiled on this day and the prize presented to the designer.

Sports Hall Development

The plans have now been finalised for the construction of an indoor sports arena that will also be open to the general public out of school hours, which we hope will encourage more sporting activities in the area. The plans have now been submitted to the Planning Office for approval and once approved construction will commence.

School Uniform

We are in the midst of finalising the new school logo as mentioned previously and this has meant that there is a delay in being able to confirm to you the precise details of the new School Uniform. We realise that this causes some inconvenience but hope that you can be patient for a little longer.

AS/A Level Courses

You will have read in the May Newsletter that the school will be running Cambridge International and Edexcel AS/A Level courses from September 2010. These courses are also open to students not registered at the school and adults wishing to further their studies or take up a new interest to keep their minds alert and active. Details are available from school of all the new courses available. For more information please contact the School Office to arrange an appointment with Ian Dimmock the AS/A level courses co-ordinator.

Staff

We value our team of dedicated professional teachers and also value continuity in teaching for the children. However at this time of year a certain percentage of staff in all international schools leaves for various reasons. We do have a small number of staff that are leaving, some for personal reasons and some for career moves. However qualified teaching staff have been/or are currently being recruited for the Autumn Term. Details of staff changes will be available as soon as possible.

Summer School/World Cup Football

Your children need not get bored or underfoot this summer. School has adventure/skills packed Summer School programmes available for six weeks commencing Monday 28th June. Alongside this Rob Shields, ex-Arsenal football coach is organising a fun packed soccer training programme during the same weeks, for all soccer enthusiasts. These programmes are also open to children not registered at The British Academy. Please contact the School Office for details of the programmes.

To assist parents with transportation for the Summer School/World Cup Football we are arranging buses, one starting from the Kalkanlı area and the other from Acapulco Beach (Çatalköy) area. This service will be free of charge and the buses will only stop at designated pick-up/drop off points on the route to school. Details of the designated pick-up points and times will be sent out shortly.

Buses

Parents have been asking us to confirm the bus routes for next term. We can confirm that the buses will be running the same routes as this year, but with the addition of the Lefkoşa bus which will come from Lefkoşa directly to school.

Further news/developments will be featured in the last edition of Sunny Lane School Newsletter, June edition.

We are excited by the development of the school so far, but even more excited by the developments to come. We look forward to meeting you all at Speech Day to share in students and staff achievements.

Kind Regards

Mark and Hayran Unwin
